COLOURS

Lo que existe entre el color y la tecnología es una combinación perfecta que permite unir estética y funcionalidad en un único elemento, logrando así la máxima libertad expresiva.

Un detallado análisis de las futuras tendencias en interiores dictadas por los grandes nombres de la arquitectura y los máximos expertos del color, ha derivado en la creación de tres gamas de colores, diferentes por tono y acabado, fácilmente combinables entre sí.

La luminaria de iluminación se convierte así en un instrumento profesional con un nuevo valor estético.

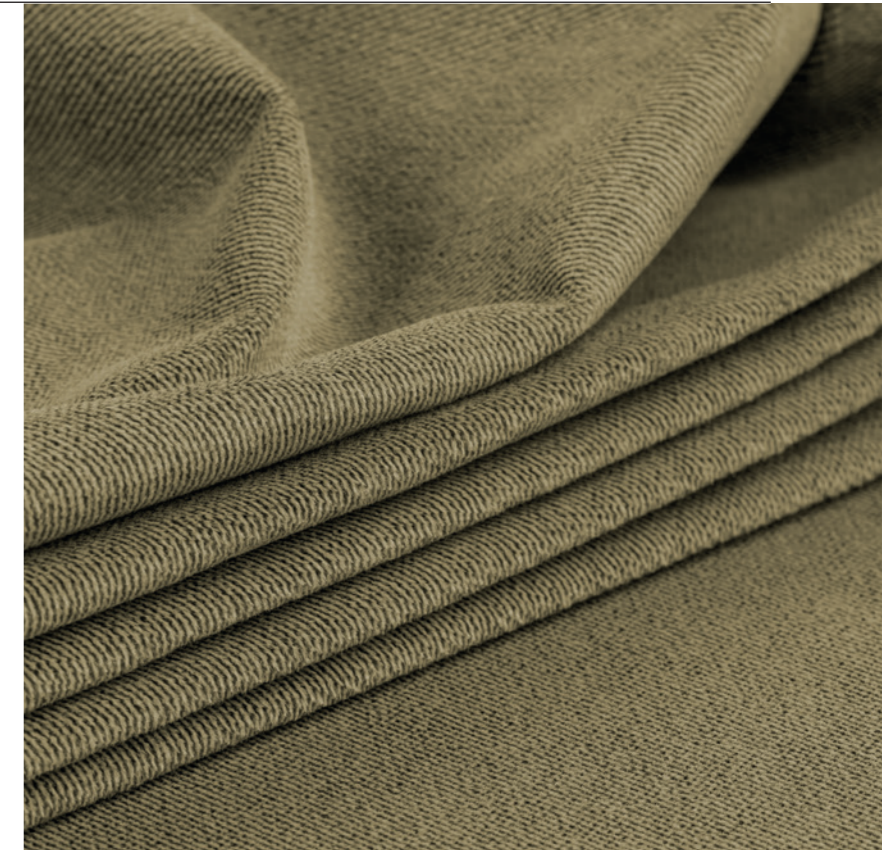

Colour and technology are the perfect combination that unites aesthetics and functionality in one element for maximum freedom of expression.

Careful analysis of interior future trends dictated by the big names in architecture and top colour experts have brought about the creation of three colour palettes with different shades and finishes that can be easily coordinated together.

Light fixtures thus become professional tools with a new aesthetic value.

ELEGANT MATTE

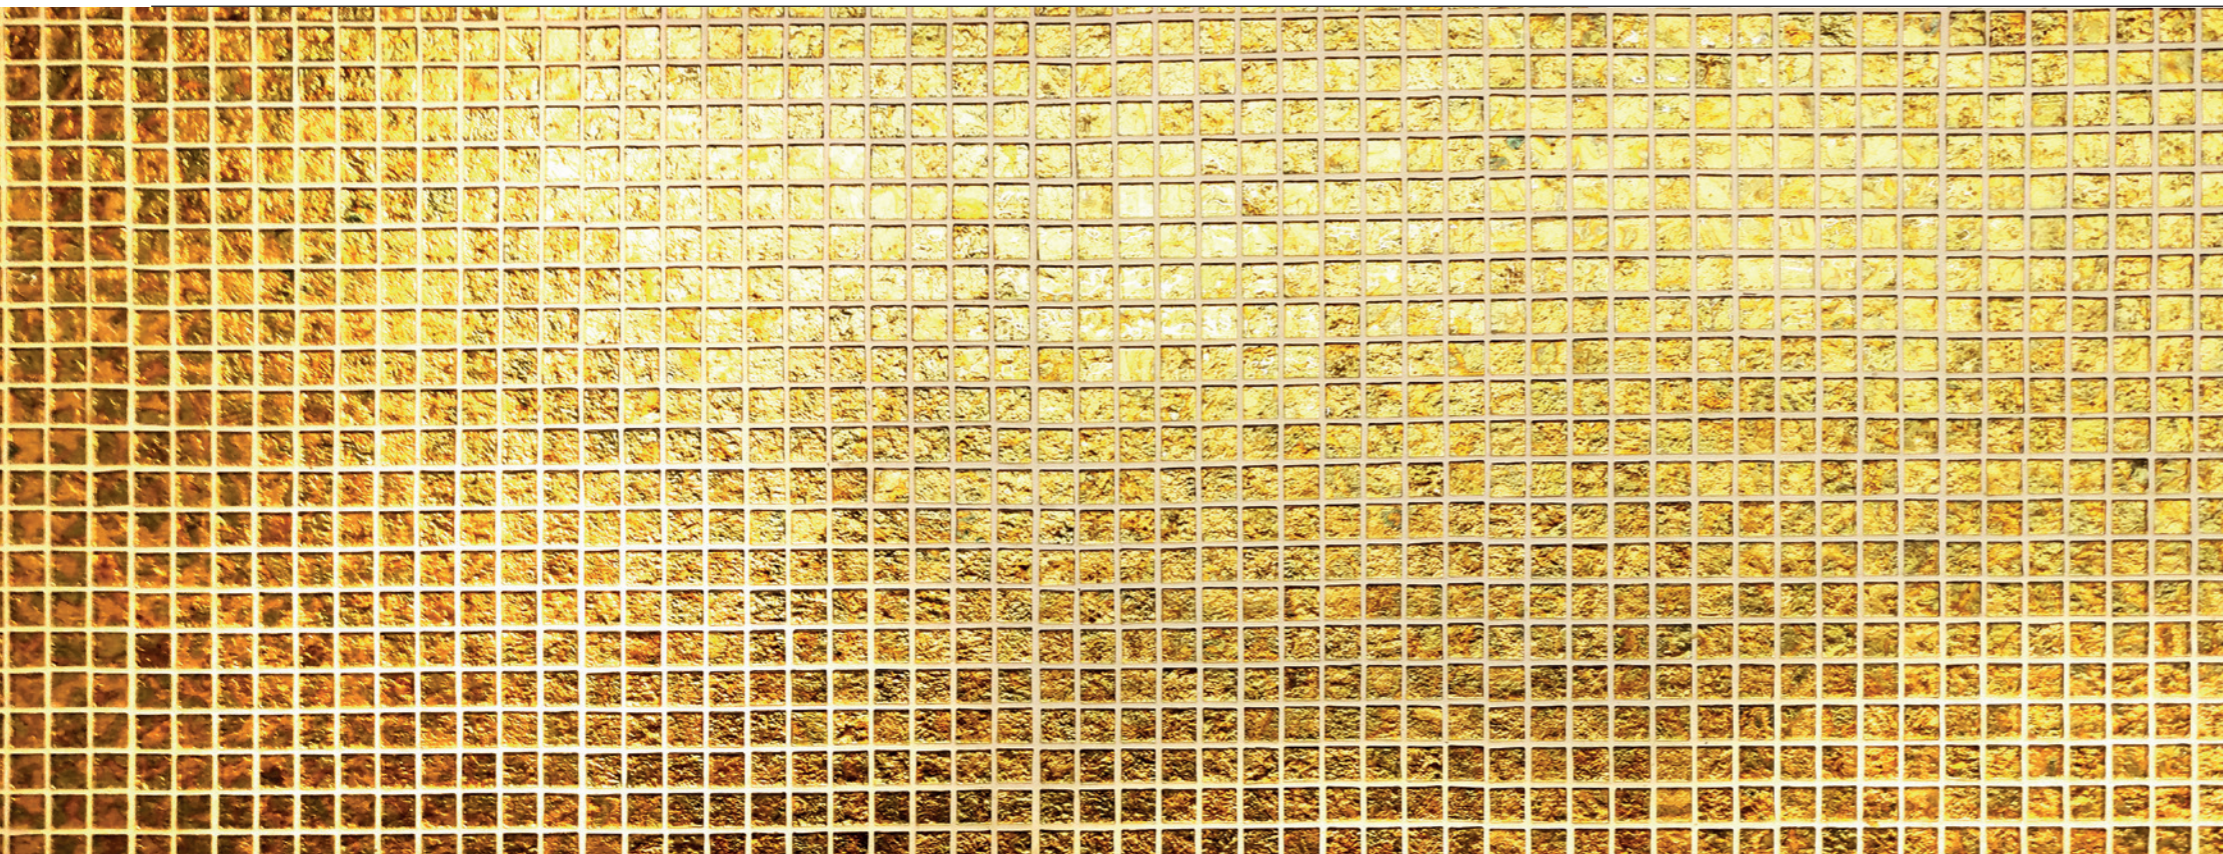

ELEGANT MATTE

Colores pastel, impalpables, donde no faltan los tradicionales blanco y negro, con acabados lisos y opacos al mismo tiempo, para un efecto de contemporaneidad y fineza.

Impalpable, "powdery" pastel colours with timeless traditional black and white, with a smooth yet matt finish for a refined modern effect.

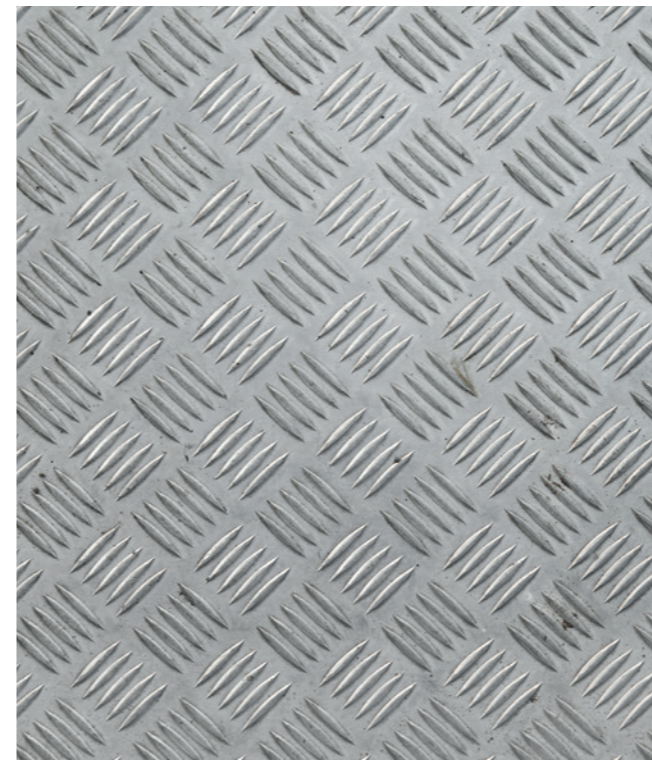

ELEGANT BRILLIANT

ELEGANT BRILLIANT

Colores vibrantes y elegantes al mismo tiempo. El acabado brillante crea un tono que se combina sin temor con una arquitectura elegante y sofisticada.

Vibrant and elegant colours. The brilliant finish creates shades to be coordinate with elegant and sophisticated architecture fearlessly.

NATURE BRILLIANT

NATURE BRILLIANT

Una gama de colores materiales, instintivos, que recuerdan la naturaleza y la tierra. Colores cálidos, metálicos y preciosos con un acabado brillante y sedoso.

A textural, instinctive colour palette that recalls nature and earth. Warm, metallic and precious colours with a brilliant, silky finish.
