Maintenance

This fixture was designed and manufactured for a durable,
long lasting use with minimum care. To ensure the
maximum lifespan of this product, we encourage our
customers to provide a quality visual inspection of the
fixture and accessories every six months.
If there are any visible signs of issues (i.e moisture or dust)
during the inspection, please clean any of the dust or
moisture with a soft cloth to make sure that all fixtures are still
operating normally. If there are any issues regarding the fixture
please contact us as we will assist the situation at hand.
