### WARNING

**To ensure a maximum efficient use  
of the product, read the instructions  
before proceeding installment.**

This fixture must be installed by a  
licensed and qualified electrician. The  
installer must comply with NEC and local  
building codes when installing the fixture

Electrical current can cause painful  
shock, serious injury, or even death.  
Make sure you turn off the power supply,  
ground fixture(s), and make sure all  
electrical connections are correct and  
secured tightly

For use in IP66 installations.

Keep the label of the original packaging if  
any eventual future claims are needed

## **Maintenance**

This fixture was designed and manufactured for a durable, long lasting use with minimum care. To ensure the maximum lifespan of this product, we encourage our customer to provide a quality visual inspection of the fixture and installation accessories every six months. If there are any visible signs of issues (i.e moisture or dust) during the inspection, please clean any of the dust or moisture with a soft cloth and check to make sure that any of the fixtures are still operating normally. If there are any issues regarding the fixture please contact us as we will assist the situation at hand.

---
