OZ 48V POWER RAIL

Magnet Mounted Modular Light System

1"
0.2"

RoHS3 COMPLIANT | IP20 | cULus Class2
CONCEPT

Professional magnet mounted low voltage modular light system allowing for maximum application flexibility with wireless bluetooth control and functionality.

MECHANICAL CHARACTERISTICS

Dimensions	1"W track.
Materials	Polycarbonate rail with stainless steel conductors that feed electricity to the fixture and provide magnetized attachment support.
Finish	○ Plaster White ● Deep Black
Power Connection	Magnetized electrical non-polarized coupling system. Configurations are achieved through electrical connectors that make it possible to create modular systems.
Functionality	Different mounting configurations are achievable using different electrical connectors that make it possible to build a simple or complex systems.
Mounting	Can be installed directly to surface, wall or ceiling using screws or inserted into optional profile for surface/suspension or recessed installations, profile to be ordered separately. Profile system configurations are achieved through optional joint connectors.
Weight	3.28ft Length: 0.66lbs / 6.56ft Length: 1.30lbs
Protection	IP20

CERTIFICATIONS

cULus Class 2 Listed E528452
Compliant with California energy regulations.
RoHS3 EU 215/863

WARRANTY

5 year limited warranty.

SUSTAINABILITY

Luminaire designed for disposal/recycling at end-of-life. Replaceable LED light source and control gear by a Targetti technician.

ELECTRICAL CHARACTERISTICS

Power Supply	Remote power supply options available.
Voltage	48V DC. **Max of 30ft of track per individual power supply and/or max of 4 connectors per individual power supply.**
Control	0-10V dimmable through remote power / digital dimming interface for group fixture control OR wireless bluetooth control through Casambi app interface for individual fixture and/or optical DBS beam control. Refer to Targetti LMS (Light Management System) for detailed information.

1 - POWER RAIL (REQUIRED)

Maximum of 30ft of power rail per power supply.
3.28ft

6.56ft

Field cuttable single circuit OZ Power Rail with 2 low voltage conductors. **Max of 30ft of power rail per individual power supply.**		
Finish	○	●
Part No.	**1T7431**	**1T7434**

|		
Field cuttable single circuit OZ Power Rail with 2 low voltage conductors. **Max of 30ft of power rail per individual power supply.**		
Finish	○	●
Part No.	**1T7432**	**1T7435**

2 - END CAP (REQUIRED)
OZ Power Rail end cap kit (2pcs).		
Finish	○	●
Part No.	**1T7026**	**1T7027**

3 - COVER (OPTIONAL)

0.3"

OZ Power Rail cover (5pcs). 3.28ft (1000mm) Length only.		
Finish	○	●
Part No.	**1T7938**	**1T7941**

○ Plaster White Finish　　● Deep Black Finish

4 - ELECTRICAL CONNECTORS (OPTIONAL)
Maximum of 4 connectors per power supply.
OZ Power Rail electrical linear connector. **Max of 5 connectors per individual power supply.**
Finish	⚪	⚫
Part No.	**1T7016**	**1T7020**

OZ Power Rail electrical L-connector. **Max of 5 connectors per individual power supply.**

Finish	⚪	⚫
Part No.	**1T7017**	**1T7021**

OZ Power Rail electrical T-connector. **Max of 5 connectors per individual power supply.**

Finish	⚪	⚫
Part No.	**1T7018**	**1T7022**

OZ Power Rail electrical X-connector. **Max of 5 connectors per individual power supply.**

| Finish	⚪	⚫
Part No.	**1T7019**	**1T7023**

OZ Power Rail electrical orthogonal L-connector for wall to ceiling or wall to wall connections. **Max of 5 connectors per individual power supply.**

Finish	⚪	⚫
Part No.	**1T7439**	**1T7440**

OZ Power Rail adjustable electrical connector. Using a special accessory element it is possible to connect up to 8 Power Tracks.. **Max of 5 connectors per individual power supply, single piece counts as one connector.**

| Finish	⚪	⚫
Part No.	**1T9524**	**1T9525**

OZ Power Rail adjustable electrical connector joint accessory (1pc). **To be used with adjustable electrical connector only.**

| Finish	⚪	⚫
Part No.	**1T9579**	**1T9580**

⚪ Plaster White Finish   ⚫ Deep Black Finish

7 - CONTROLLER (OPTIONAL)

Casambi Xpress remote controller, indoor mounted only. Four programmable presets. CR2430 battery (Included). **For use with Casambi dimming and/or DBS optical control only. DBS fixtures are equipped with Wireless Casambi control as standard. Optional remote control below.**

Finish	○	●
Part No.	**SWITCH26**	**SWITCH25**

○ Plaster White Finish   ● Deep Black Finish

8 - MOUNTING (OPTIONAL)
Mounting bracket for T-Bar ceiling installation. Compatible with standard 15/16" T-Bar.

Part No.	**1T9523**

OZ 90° offset fixture mounting support bracket. **Compatible with OZ 48V Small fixture range only.**

CONTROL SYSTEM

Controlling light has never been easier. Targetti LMS (Light Management System) with Control by Casambi was created to make it possible to control light via Bluetooth Low Energy without the use of any special cables, ensuring system operational readiness. This wireless technology is compatible with all modern smart devices: smartphones, tablets and even smartwatches. Targetti fixtures are equipped with a special interface that allows them to communicate with each other to create a remotely controllable "smart" network.

The advantages are boundless. The possibility for users to interact with lighting — varying intensity, tone and shape in complete freedom and autonomy according to their needs. The design approach known as Human Centric Lighting that places people at the center of lighting projects.

Flexible and easy to use, suitable for managing all types of simple to more complex systems, LMS is a future-oriented system that can be constantly updated because it can be used with a simple application that can be downloaded onto a mobile device to manage the entire system in wireless mode.
INSTALLATION SEQUENCE

1

Choose Targetti fixtures by opting for the Targetti Casambi Ready package or Casambi accessory components

2

Download the Casambi iOS or Android App depending on the device used

3

Launch the App: the fixtures in operation will be detected automatically

4

Create one or two networks depending on the characteristics of the environment

5

Create groups of devices as needed

6

Program scenes and/or sequences.

7

Set the level of network sharing

Single

Groups

Unit control
